Responding to Review Comments

You can upload corrected plans AFTER all reviews are completed and the project's status is Corrections Required.

To respond to comments:

- 1. Provide a response to each comment on the Correction Response Plan set and identify changes since initial review on the updated drawings.
- 2. Make sure drawings are the appropriate size, legible, oriented correctly, and combined in a single PDF file.

See [How to Respond to Review Comments](#) for detailed steps.
