SDCI Project # 011976-18PA (Building & Land Use Pre-Application #)

SUMMARY

The project team for 1516 2nd Avenue contacted the team at Department of Neighborhoods to launch early outreach efforts on June 26, 2018 and completed all required steps on July 25, 2018. The team deployed three “high-impact” methods to reach and communicate with neighborhood stakeholders during that time: a website, a mailed 4x6” postcard, and an in-person evening community meeting.

OUTREACH METHODS OVERVIEW

On June 29, 2018, the project team launched the website www.1516second.com. It includes a project overview, contact name and email, a comment form and a map. On July 7, the team mailed 2,012 project information postcards to neighbors. And on July 25, the project team hosted an open community meeting at the Palladian Hotel from 6:30 – 8:00 p.m.

COMMUNITY FEEDBACK OVERVIEW

To date, the project has received 29 comments. 24 of these comments came as a part of the in-person community meeting, and five were sent by web form. Most frequent questions include comments on project height, number of parking stalls provided, requests for glass that is opaque rather than translucent, and alley access. Full comments in the in-person details section, below.

KEY DATES OVERVIEW

- June 29, 2018 – www.1516second.com website is live
- July 7 – 10, 2018 – businesses and residents within 500-foot radius from site received meeting invitation
- July 25, 2018 – community meeting held
- July 26, 2018 – follow-up to nearby affordable housing buildings

OUTREACH METHOD: DIGITAL

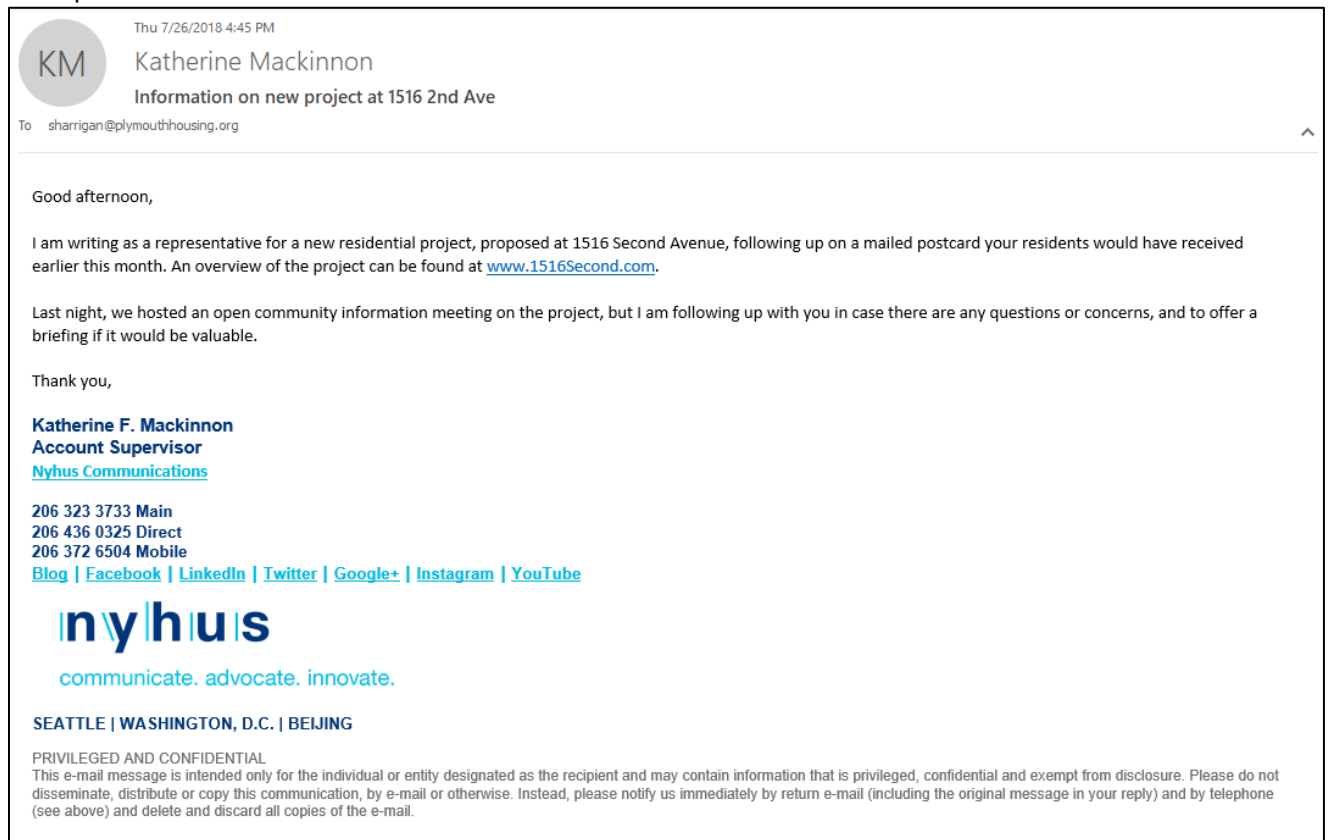

The project team launched the www.1516second.com website on June 29th, 2018. Website components include:

- Commenting/feedback function
- Project contact, location information, and project description
- Events/meeting schedule function
- Email function: hello@1516second.com

And, on July 26, emails were made to building/facilities managers, to inquire whether follow-up is desired, at the following affordable apartment buildings:

- Haddon Hall Apartments, 1921 3rd Ave (operated by Plymouth Housing Group)
- Plymouth on Stewart, 116 Stewart Street (operated by Plymouth Housing Group)
- Gilmore Apartments, 1526 3rd Ave (operated by Bellwether Housing)
- LaSalle Senior Apartments, 85 Pike Street (operated by Pike Place Market PDA)
- Market House apartments, 1531 First Ave (operated by Pike Place Market PDA)
- Stewart House, 80 Stewart Street (operated by Pike Place Market PDA)

Example email:

OUTREACH METHOD: PRINT

On July 7, 2018, the following postcard was mailed via USPS to approximately 2,012 homes within a 500+ foot boundary from the project site. Mailings were received on July 9 and 10. The mailing served as a community meeting invitation for businesses and residents, provided a brief project description, and directed recipients to the website to learn more:

Olympia-based Capitol City Press was the vendor used for both printing and mailing management purposes, and performed coordination with United States Postal Service to deploy postcards to the 2,012 addresses.

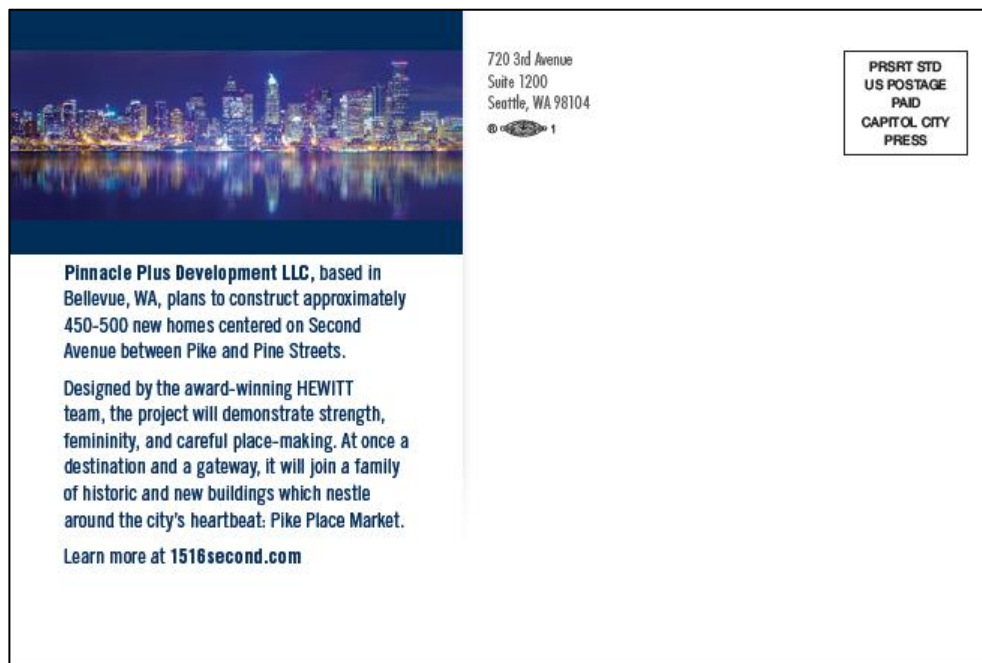

The specific boundaries for the mailing were:

- Stewart Street to the north;
- 4th Avenue to the east;
- Union Street to the south;
- Western Avenue to the west; PLUS
- Direct mailing to all residential units at 1921 3rd Avenue, 116 Stewart Street and 1526 3rd Avenue (Haddon Hall, Plymouth on Stewart, and Gilmore Apartments, which lie outside the above boundary)

OUTREACH METHOD: IN-PERSON

On July 25, 2018 the project team hosted an open community meeting at the Palladian Hotel, approximately two blocks from the project site. All residents and businesses within a 500-foot radius, plus residents of three additional low-income housing buildings nearby, were invited. Additionally, the community event was posted on Early Community Outreach for Design Review Calendar.

The meeting agenda included an open mingling and question period for 30 minutes, followed by a 60-minute project presentation and Q&A by the project architect and applicant representative. The meeting began at 6:30 p.m. and concluded at 8:00 p.m. Light refreshments were served.

Approximately 20-25 people attended. Below is a summary of the questions and comments offered by the community during the meeting:

1. *Please show us on the diagram where the 160' tower and 440' towers are in context.*
2. *Will there be windows on the north side abutting other existing buildings? They have a lightwell and windows in the interior lot line; does that require you to leave some spot for light?*
3. *Will the alley way be two-way? With an entrance and separate exit to garage?*
4. *Will there be lots of traffic?*
5. *How many parking spaces are you building? Above or below-grade? How many levels?*
6. *What is the number of homes? Are they condominiums or apartments?*
7. *Are you planning to build to the lot lines of the property?*
8. *Are you planning green spaces on the property?*
9. *Please put in opaque vision glass. We won't want to look into people's homes!*
10. *Are there design considerations for historical landmarked buildings across the alley?*
11. *What kind of interface will there be for bedrooms across the alley? Can you lower the podium?*
12. *Aren't the alley neighbors too close?*
13. *How do you plan to sell these condos with no water view?*
14. *Are these investment units or for families?*
15. *Will there be a front door and back door to the main service floor? A porte-cochere?*
16. *Please plan the design well. Everyone's building boring projects and there is so much development.*
17. *Please don't make this another dull box.*
18. *New SDOT work on Pine Street has added 20 minutes to traffic in the past thirty days; how will that impact this development? Could your traffic person check on that?*
19. *Is there precedent for a condo building this dense?*
20. *What does this mean for the garage at 2nd and Pike?*
21. *If the building has 450 units, how many cars can you accommodate?*
22. *How big will the units be? Will you be providing micro-units?*
23. *When will the condos be available?*
24. *Will there be affordable housing in these units?*

Online comments received through hello@1516second.com include:

1. *Please add me to your list.*
2. *(no comment made – just a sign-up)*
3. *Will these be apartments or condominiums?*
4. *We're excited to welcome you to the neighborhood.*
5. *Condos are important. Your presentation last night was impressive. Please be sensitive to neighbors across the alley. Keep working to create vibrancy vis-à-vis your retail spaces.*
