To Whom it May Concern:

I own the property at 5501-5503 Roosevelt Way NE, Seattle, WA (on the corner).

My concern is that the proposed 4-story, 27-unit apartment building directly across the street from my property.... will have parking for only 8 vehicles?? Can this be correct? No other parking? Parking in this area is a nightmare as it is!

At my property (in the house portion) are three adults. The only parking they have available is on 55th Street. Most people don't have garages; many not even driveways.

I'm at a loss for words. Can you enlighten me further?

Thanks so much.

Sincerely,

LORA WRIGHT
