To whom it may concern:

I am a resident of the Malloy apartment building, which is located at 4337 15th Ave NE, Seattle, WA 98105. I am writing to you to express concern about project 3034224-LU, which is located at 1415 NE 43rd St, Seattle, WA 98105.

I would like some assurance that construction on this site adhere to standard Seattle noise code as described here:

[https://www.seattle.gov/sdci/codes/codes-we-enforce-\(a-z\)/noise-code](https://www.seattle.gov/sdci/codes/codes-we-enforce-(a-z)/noise-code)

Specifically, that

- all construction be limited to 7 AM to 7 PM on weekdays (9 AM to 7 PM on weekends and holidays),
- impact (i.e., loud) construction be limited to 8 AM to 5 PM on weekdays (9 AM to 5 PM on weekends and holidays).

Not adhering to these policies would be a significant disturbance to those of us that live in Malloy.

Best,
Matthew Lorig
