Summary of Community Responses:

1. Electronic/Digital Outreach: Cone Architecture received 9 responses to the survey that was created through Survey Monkey. The responses received are as follows:
 - What is your connection to this project?
 - 89% I live very close to the project.
 - 22% I live in the general area.
 - 0% I own a business nearby
 - 11% I visit the area often for work or leisure.
 - 0% Other

- What is most important to you about a new building on this property?
 - 44% That it is nice looking.
 - 11% That it looks unique and interesting.
 - 89% That it is affordable for residents and/or businesses.
 - 56% That it is designed with environmental sustainability in mind.
 - 11% Other:
 - Quality of construction
 - What concerns do you have about this project?
 - 67% Construction noise/impacts
 - 33% That I will not like the way it looks
 - 78% That it will not be affordable
 - 56% That it may feel out of scale with other buildings nearby
 - 78% That it will make driving and parking in the neighborhood more difficult
 - 0% Other:
 - Is there anything specific about this property or neighborhood that would be important for us to know?
 - How many live /work properties end up giving life to the street? This is right in the center of Pinehurst and has the opportunity to contribute to a lively walkable area. It feels unfortunate that there's no ground floor retail. If that's not possible, it would be great if the design placed a lot of consideration on making the sidewalk / street feel like a walkable, bike friendly, and inviting place.
 - Do they really want to live by a laundromat & car repair place?
2. High-Impact Outreach: The comment box provided on the project website did not receive any feedback or questions.
