### APPLICATION TYPE

Check the box which most closely describes the type of questions you would like to address:

☐

**ZONING REVIEW** – Check this option if you have questions about specific development standards: **height, yards, setbacks, parking**, etc. If you select this option **STOP** - you may not need a pre-submittal conference. Please complete a Paid Coaching Request form.

Zoning Coaching appointments are available through a Paid Coaching Appointments and are less formal than our pre-submittal conference process. Please see our Request for Paid Coaching Appointment form on our [forms webpage](#). If you are unsure of what type of appointment you need you can submit your question through our online [Land Use Question and Answer](#) or stop by our office for a 20-minute free coaching session with a Land Use Planner and they can assist you with determining if coaching or a Pre-submittal conference is needed.

☐

**LAND USE PRE-SUBMITTAL CONFERENCE:** Check this option for a conference which primarily addresses specific discretionary issues as they relate to the Master Use permits with written decisions, such as SEPA, Administrative Conditional Use, Variances, Rezones, Special Exception, Shoreline Permits, etc. Specific questions must be submitted as part of the pre-submittal application along with the code citation.

☐

**DESIGN REVIEW PRE-SUBMITTAL CONFERENCE: Early Design Guidance:** Check this option for the required Land Use pre-submittal conference for Design Review projects, whether projects will go to the Design Review Boards or through Administrative Design Review.

☐

**DESIGN REVIEW PRESUBMITTAL CONFERENCE: Streamlined Design Review:** Check this option for the required Land Use pre-submittal conference for townhouse projects in Lowrise zones, or exceptional tree removal (unless the Early Design Guidance box is checked above).

**Advice from certain specialties within SDCI:** Check this option if you would like to talk with certain SDCI experts. These other SDCI staff will be invited to attend; in some cases, however, you may need to follow up separately if they are unable to attend:

- ☐ **Green Building Incentives:** Programs include Priority Green Expedited, Priority Green Facilitated, the Living Building and 2030 Challenge pilots, and green building standards triggered by incentive zoning. More information can be found on our [Green Building Incentives](#) webpage.
- ☐ **Shoreline or Riparian Corridor Issues**
- ☐ **Wetland Issues**

**Advice from other City Departments:** Check this option if you would like to talk with experts from SDOT, SCL or SPU about project design issues. Specific questions relating to other City department requirements must be submitted as part of the pre-submittal application along with the code citation where applicable. SDCI will invite other Department representatives to attend, however each Department will decide whether they can accommodate this request. In some cases, you may need to follow up separately with representatives from the other Departments.

- ☐ **SDOT Street Use** (include specific questions with this request)
- ☐ **SCL** (include specific questions with this request)
- ☐ **SPU** (include specific questions with this request – Note that standard drainage questions are handled by SDCI staff at our Drainage Counter on a drop-in basis in the Applicant Services Center)
